2. A Soviet Air Force unit was quartered in the former Protestant educational. establishment on Jokai Mor Street. A Soviet soldier wearing blue service color and armed with a submachine gun was posted to the gate of this building. Eszterhazy Castle was also occupied by Schoot pilots. A higher Soviet headquarters was housed in the former Flack Eagle Inn (Fekete Sas) opposite the Catholic church on the main square in Papa. A Soviet sentry with blue service color and, occasionally a group of several high-ranking Soviet officers were observed at the entrance of the inn

25X1A

Corment. According to available information: a Soviet fighter division with two or three fighter regiments is stationed in Papa. The information that a higher headquarters was observed in Papa a cufirms the assumption that a fighter division headquarters is stationed in Typa. According to previous information it is believed that the fighter regiments are equipped with 70 to 80 MiG-15s.
